STEWARDSHIP CORNER:

God is the giver of all good things! As we wrap up another fiscal year we have been blessed by the on-going support and kindness extended through those who contributed to the ministry here at Child of God. Thank you for returning a portion to Him through Child of God! Now as we head into the summer and you find yourself busy, traveling, and perhaps just forgetful. Some of you realize that utilizing automatic giving to Child of God makes it easier to provide consistent contributions ensuring that giving is a priority in your financial decisions. If you are interested in this method of giving. Please look at the information form and determine if e-giving is the way that works best for you to support the ministry at Child of God. Fill out the form that is enclosed and bring it to Church Office. Thank you and may the Lord guide you in these steps of faith for you and others.
