

Host Guidelines

1. Pastor or Elder will start coffee, but host empties it, cleans it, and puts back in appropriate cabinet.
2. You can bring home-baked goods or store bought.
3. Arrange cookies or goods on trays and place on the table at the end of the service.
4. It would be nice to have drinks. If you purchase milk or juice, a small quantity would be sufficient or you can use pitchers of water, tea, Kool-Aid, etc.
5. For cleanup, make sure everything you use from the kitchen is cleaned and returned to where you found them.
6. When serving, we usually stand behind the table to be available if needed.
7. Napkins are back in the cabinet by the Business Office.
8. Cups are available in the kitchen in the church cabinet or large box above back counter by the sink.
